## Principal's Message

The ECHO will retain for you many memories of your junior high school days in the years to come. Your future is bright, your opportunities are unlimited. The faculty and staff of Central Junior High School can help you grow in intellect and strength of character so that you may take advantage of the opportunities of the future. Central is made memorable because of you students now and those before you. Thanks should go to the Student Council and to Mr. Hedger, the sponsor, for making this Memory Book possible.
